

Mom's Chicken Pot Pie

2 frozen pie crusts (thawed)

1 large potato (diced)

½ onion (diced)

1 clove garlic (diced)

1 carrot (diced)

Small amount of frozen peas

1-1/2 jars Chicken Gravy

Any spices you wish to add: basil, oregano, parsley, or whatever!

Cook all diced veggies until al dente. Add salt/pepper, frozen peas last when you stir all veggies together: Add gravy, spices, if desired. Pour into thawed crust. Put second crust on top (upside down) and seal together at edges with fingers or fork. Cut off excess.

Bake in preheated 350 oven for about 30-40 minutes, until crust is browned and insides are bubbly.

Let settle and thicken while resting outside of oven for 10 minutes. Enjoy!
